Jill is the gifted co-author of "When Women Reign", a Ziglar Legacy Certified inspirational speaker and vision-driven coach. Her unique ability to see the good in every person allows her to mentor, motivate and activate others to fulfill their potential. She is passionate about helping believers and ministry leaders strategize and activate their talents and goals through retreats, leadership roundtables, coaching (1:1 or in groups) as well as through workshops & creative planning sessions.

Jill draws from over 20 years of corporate, non-profit and community experience including 3 years as a national "Top 10" territory sales rep of then \$12 billion company, MCI, and 14 years with Ziglar, Inc. Zig Ziglar fondly referred to her as "The Bear Hunter" for her prowess at producing multi-millions in revenue, often exceeding quotas by more than 300%.

In 2009 Jill left corporate America to serve with her husband in full time ministry. Upon the birth of their fourth child and first daughter, she became a full time stay at home mom. In the midst of this transition, she began her own coaching, consulting and speaking firm, Brand New U Coaching, which is focused on empowering women in both their professional and personal journeys. Jill also serves alongside her husband at Create Church in Richardson, Texas.
